---

## CONTACT INFORMATION

*E-mail:* [heeju.lim@uconn.edu](mailto:heeju.lim@uconn.edu)  
*Website:* [heeju-lim.github.io](https://heeju-lim.github.io)

## EDUCATION

### University of Connecticut, Storrs, USA

Ph.D. (GPA : 3.76/4.0) Aug 2019 - Aug 2026  
(Academic Leave of Absence) (Aug 2021 - Aug 2023)

Advisor : Dr. Victor Hugo Lachos Davila *E-mail:* [hlachos@uconn.edu](mailto:hlachos@uconn.edu)  
(Thesis : Methodological Advances in Heckman Selection Models.)

### Korea University, Seoul, Republic of Korea

M.S. in Statistics (GPA : 4.0/4.0) Mar 2015 - Feb 2017

Advisor : Dr. Yousung Park *E-mail:* [yspark@korea.ac.kr](mailto:yspark@korea.ac.kr)  
(Thesis : A study on financial stability through the estimation of workers' compensation insurance, employment insurance, and child education and childcare budget.)

### Sejong University, Seoul, Republic of Korea

B.S. in Applied Statistics (GPA : 3.78/4.0) Mar 2010 - Feb 2015  
(Academic Leave of Absence) (Mar 2012 - Aug 2012)

Advisor : Dr. Seungyeon Lee *E-mail:* [leesy@sejong.ac.kr](mailto:leesy@sejong.ac.kr)

## PRESENTATIONS

### Heckman Selection Contaminated Normal Model

Contributed Session at the ENAR 2025 Spring Meeting. New Orleans, USA, March-2025

(**Poster Winner**) the 7th Stat4Onc Annual Symposium. Connecticut, USA, May-2024

Student Session in the 37th New England Statistics Symposium. Connecticut, USA, May-2024

**Bayesian Analysis of Heckman Selection Models**

Invited Session at the 2025 ICSA Applied Statistics Symposium. Connecticut, USA, June-2025

(Poster) The 38th New England Statistics Symposium. Connecticut, USA, May-2025

(Poster) DahShu Data Science Symposium. Connecticut, USA, October-2025

**Study on Predictive Survival Models using Machine Learning**

(Poster) The Korean Statistical Society conference. Chuncheon, South Korea, May-2019

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                   |

**National Tax Service of the Republic of Korea** Apr 2022 - Sep 2022  
Statistician in the Department of National Tax Data

**University of Connecticut** Aug 2019 - May 2021  
Webmaster in the Department of Statistics and the New England Statistical Society(NESS)

**Sejong University** Sep 2018 - Jun 2019  
Full-time Researcher in Biostatistics laboratory under Dr. Seungyeon Lee

**DATASOLUTION, Inc. (Formerly SPSS Korea)** Mar 2017 - Sep 2017  
Data Analyst in the Department of Consulting Business HQ

**Korea University** Jul 2015 - Feb 2017  
Research Assistant in Time Series Analysis Laboratory under Dr. Yousung Park

**Sejong University** Aug 2014 - Feb 2015  
Undergraduate Researcher in Biostatistics laboratory under Dr. Seungyeon Lee
